

If you hear...

No!
I don't want to.
No way!
I changed my mind
Nope.
No thanks.
Hmmm..
Nah
That's not cool
I'm not sure.
Stop.
Maybe...
Let me think about it.
Don't.
Not really.
I don't feel like it
I don't think so.
Maybe later?
Let's do something else
Silence

If you see...

Shaking their head
Pulling away
Putting their hands up

STOP
You do **NOT**
have
consent.

What does consent sound like?

Yes!
Totally.
Cool, let's do it!
For sure!
Yeah
I'm in
Sounds good!

How you can ask for consent:

Can I please...?
May I please...?
Would you like to?
Do you want to...?
Is it okay if I...?
