Blue Sky Bridge is a non-profit organization located in Boulder, Colorado, working in prevention, intervention, and treatment of child abuse. We use the Child Advocacy Center (CAC) model to create a child-focused approach to abuse investigations in partnership with law enforcement, social services and the District Attorney's office. Blue Sky Bridge provides skilled forensic interviews and medical exams of children as well as crisis counseling and support to non-offending caregivers, therapy for children and families, and education programs to increase community awareness and to empower the community to prevent sexual abuse of children. Blue Sky Bridge is a well-established organization in Boulder County with a strong base of financial support.

The person filling this role will be a part of the Prevention Education program at Blue Sky Bridge. This program delivers body safety presentations to elementary school students throughout Boulder County. The program also provides various trainings to groups of adults –teachers, parents, partners and other community agencies and groups, and does outreach to educate our community about the importance of preventing child abuse.

The Education associate will work in the school program providing body safety presentations to students in grades Kindergarten-5th grade. Since travel to schools in our district is required, this position will be eligible for mileage reimbursement.

This is an hourly position with a work schedule of 10-15 hours per week during the school year. This position does not work when school is not in session. The working hours are generally between 8:00 and 4:00 M-Th, with specific hours to be determined based on the candidate's availability and program needs.
