

Blue Sky Bridge is a Child Advocacy Center dedicated to creating lasting, positive changes in the lives of children affected by abuse in Boulder County and beyond. We were founded in 1995 and use the Child Advocacy Center (CAC) model to create a child-focused approach to abuse investigations, working closely with investigation and support agencies including law enforcement, social services and the District Attorney's office.

Our body safety program is built on best practices in abuse prevention drawn from national and state guidelines as well as experts in elementary education and child safety. Our curriculum aligns with the Colorado Academic Standard for Comprehensive Health Education.

Education Intern:

The Education Intern will be responsible for working with and supporting the education program one day a week between the hours of 8:00 am and 4:00pm.

GENERAL DUTIES: To deliver body safety curriculum and support Prevention Education staff in local schools and throughout the community.

- Work in elementary schools in and around Boulder County to deliver the education program to third grade and kindergarten students with fidelity in a culturally-sensitive manner
- Act as support for staff and volunteers at schools
- Assist the education team in preparing materials for schools each month
- Assist the education team in preparing materials and setting up for community trainings
- Collect, input and summarize data from pre/post program measurements
- Act as a substitute presenter in lieu of volunteers when needed
- Other duties as assigned

Required Skills:

- Ability to communicate effectively
- Organized, reliable and efficient
- Enthusiasm and ability to work independently
- Understanding of and commitment to competently working with diverse people and families.
- Knowledge of issues surrounding child abuse/neglect
