

Blue Sky Bridge is a non-profit organization located in Boulder, Colorado working toward prevention and intervention in the fight against child abuse. We were founded in 1995 and use the Child Advocacy Center (CAC) model to create a child-focused approach to abuse investigations, working closely with investigation and support agencies including law enforcement, social services and the District Attorney's office. Blue Sky Bridge provides skilled forensic interviews of children as well as crisis counseling and support to non-offending caregivers, medical exams for children, trauma-focused therapy for child victims and their caregivers, and presents education programs to increase community awareness and to empower the community to prevent sexual abuse of children.
