★ What is Blue Sky Bridge?

Blue Sky Bridge, a Child Advocacy Center serving Boulder County, is a non-profit that provides forensic interviews of children as part of child abuse investigations, and crisis intervention services for their non-offending caregivers.

If you need help talking to your children or have concerns about a child, visit our website at: blueskybridge.org/resources or contact a trained staff member at 303.444.1388. We would appreciate your feedback and suggestions about the program for our continued improvement. Please contact: info@blueskybridge.org

The Blue Sky Bridge School-Based Prevention Education Program helps 3rd graders learn about:

- Body safety, including private parts and touching rules
- Surprises and secrets
- Identification of trusted adults
- The “No, Go and Tell” plan

★ How You Can Help!

Blue Sky Bridge provides our programs at no cost. We rely on donations and many volunteer hours to keep running strong. Here are ways you can help!

- Give financially
- Volunteer your time
- Donate goods or services
- To support Blue Sky Bridge, contact us at 303.444.1388 or info@blueskybridge.org

★ Tips for Parents

- Know the details about playdates, sleepovers, and after-school activities.
- Be present. Show up unexpectedly and at random times to check on your child.
- Have a secret-free home. Offenders rely on children to keep secrets.
- Teach body safety rules. No one is allowed to touch your child's body without their permission.
- Teach the anatomically correct names of body parts. This shows a potential offender that you communicate with your child about their body.
- Safeguard your computer and teach your child on-line safety tips.
- Make sure your child has a safety plan and knows how to contact a trusted adult in times when your child feels unsafe.
- Use teachable moments to promote safety. It is important to repeat important points whenever possible.
- Truly listen to your child with an open mind and an open heart.
